Our “In-Use” Renovation

Does your office need a freshen up, but you have been dreading the inconvenience? Can't shut down for days or even weeks for a renovation? The Design Build Group specializes in what we call “in-use” or “occupied space” renovations and improvements. We can help you make improvements to your office or building with minimal impact to your daily operations. From a simple update of wall finishes, to new flooring, wall reconfigurations, and millwork updates, we can handle all of your needs and help you with your design. Work can be scheduled around your work hours. Furniture/ decoration relocations coordinated for you. Take advantage of the end of year tax benefits of making capital improvements to your space.
